

Form 12**Ordination Certificate Record**

Use the separate formal bishop or elder certificate or deacon certificate for presentation. This page records issuance.

An ordination certificate evidences the actual ecclesiastical action. A deacon certificate does not admit its recipient to PRAECEPTORIUS; bishop or elder admission also requires a separate express record.

Recipient and exact office

Actual ordination date and location

Underlying approval and permanent record

Applicable scriptural charge supplement

Certificate number and issuance date

Conditions or attached limits

Issuing officer signature and office

Recipient delivery record
