

Form 24**Contribution Acknowledgment**

Use only for an actual contribution under an authorized program; do not promise unsupported deductibility or value noncash property.

Complete the appropriate goods or services statement from actual facts. If none were provided, state that fact. If only intangible religious benefits were provided, identify that treatment accurately under current requirements.

Organization and issue date

Contributor and contribution date

Cash amount or noncash description without valuation

Accepted restriction if any

Goods or services provided and actual description

Applicable acknowledgment wording after review

Authorized issuer signature

Receipt and transaction record

Record reference _____ Attachments _____
